PERSONAL PROFILE

My name is Presley Hoesch, I am currently a level 9 at Pinnacle Gymnastics. I hope to compete at the collegiate level and further expand my skills. I want to be a positive influence on my peers in athletics and at school. When I'm not in the gym, I enjoy spending quality time with family and friends and participating in charity work with NCL. I love being in nature, swimming, going on hikes, spending time at the lakes as well as watching movies and listening to music.
